

Imagine a payment scheme that **benefits you and your business...**

**We've made it *easy* to pay our fees
in monthly instalments.**

- Keep working capital in your business for other purposes
- Smooth your cashflow
- Access an additional line of credit without any formal application or any need to see your bank
- Monthly instalments paid by direct debit
- Your choice of any term between 3 and 12 instalments
- The credit charges you pay are tax-deductible if related to running your business
- No additional security required

It's simple! . . .
